Metabolic 'Vitamin A' for Anti-Ageing & So Much More!

Monoderma Vitamin A (0.15%) contains pure retinol to help oily, acne-prone, seborrheic skin including ageing, fine lines and wrinkles, sun damage and acne. It also works to protect the skin from photo-damaging and other anomalies of keratinisation, dull thickened skin. MONODERMÀ vitamin A can be used alone or integrated into your current regime to help with common skin care needs for all skin types.

MONODERMÀ vitamin A is easy to apply, absorb easily into skin, is non-greasy and free from colouring agents, perfume, preservatives and potential allergens. MONODERMÀ consists of pure, neutral formulations with respect of the natural balance of skin and provide active ingredients in their purest state and at the most efficacious concentration.

A dose can be applied in a facial, peel or microdermabrasion for more intensive results! For optimal results, apply MONODERMA vitamin A for 28 days in the evening directly onto skin after cleansing, while avoiding the eye area and follow with an application of an eye and night cream.

Vitamin A, Monoderma comes in a pack of 28 fresh, easy-to-use single-application capsules. This ensures that the vitamin formulas are delivered to the skin in a precise, concentrated dose, as an active ingredient.

28 Metabolic Vitamin A Capsules. (RRP: \$80)

PRIORI Cellular Recovery Serum Your Personal Trainer For Skin Fitness!

What is it? It's an anti-aging cellular DNA repair booster. How does it work? It contains DNA Enzyme complex that mimic the bodies DNA Repair enzymes to boost their effect to reverse damage to DNA caused by free radicals.

How is it unique? DNA Enzyme Complex utilizes 3 natural liposome encapsulated DNA repair enzymes from botanical and microbial sources to repair cellular damage, key antioxidant and anti-inflammatory ingredients for skin soothing and calming, and Hyaluronic Acid for superior skin moisturizing.

Why should I buy it? DNA Repair Enzymes have been shown to diminish the effects of harmful UV radiation, diminish the appearance of fine lines, wrinkles and uneven skin pigmentation and reverse cellular DNA damage. Enhance and jumpstart your results with your current skincare regimen for faster and visible anti-aging results!

PRIORI® Target Skin Therapy benefits:

- Significantly reduces the appearance of fine lines and wrinkles in just 4 weeks
- Delivers powerful DNA repair enzymes to the skin. This combination promotes the Self healing to improve the appearance of aging skin.
- Contains powerful antioxidants that promote anti-inflammatory benefits suitable for skin sensitivity and damage created by the environment & lifestyle
- Oil free, fragrance and colorant free, non-comedogenic, dermatologist tested water based serum for all skin types
- Designed to accelerate or boost any anti-aging skincare regime

Useage

Use once or twice daily.

Apply 1-2 pumps to cleaned skin and massage evenly into skin as a booster serum into the skincare regime.

What others have to say...

After a series of microdermabrasion treatments, I went back to South Africa and saw my sisters. They said I looked younger than I has 2 years ago. A good friend whom I had known for over 20 years asked if I had had a face lift.

*Amazing results, Thanks, Renajo!
